Nursery open 9 a.m. to 5 p.m. Monday to Friday or by appointment

Nursery location: 400 metres along Mangakahia Rd.on RHS, Maungatapere, Northland (see website for map)

Species	pot size		price ea. 1000+	100+	10+	price each
Ackama rosaefolia	<i>makamaka</i>	<i>makamaka</i>				Northland native
Soft foliated attractive shrub or small tree of forest edges or roadsides, unique to Northland Pink undersides to leaves, masses of cream flowers in spring, superb in cultivation. tolerates hard clay. Tolerates too wet or too dry, gets to 4 m in 10 years if grown in open, forms a tree if sheltered						
		5cm sq.tube			\$1.75	\$2.25
		PB 3 (1.8 litre)		\$5.25	\$5.95	\$7.00
Agathis australis	<i>kauri</i>	<i>kauri</i>				Northland native
Awesome giant forest tree of Northern NZ, good small specimen for at least 30 years Excellent timber, icon of Northland forests, handles it wet or dry, also makes great house plant Keep moist until established then very hardy, 600mm/year growth in right conditions. Likes warmth.						
		seedling	\$0.60	\$0.75		
		7 cm sq. tube			\$2.50	\$3.00
		PB 2 (1.2 litre)			\$7.20	\$8.25
		PB 6.5 (3.6 litre)		\$9.50	\$9.90	\$12.50
		PB 12 (6.5 litre)			\$15.00	\$19.00
		Easilift 25 litre			\$44.00	\$48.13
		Easilift 45 litre				\$74.34
		Easilift 80 litre				\$185.00
Alectryon excelsus	<i>titoki</i>	<i>titoki</i>				Northland native
Graceful medium sized specimen tree, popular garden or street tree,eyecatching exquisite fruit shiny black seed surrounded by bright red flesh attracts many birds, hardy, non invasive root system Easy to grow in almost all situations						
		PB 2 (1.2 litre)				\$7.25
		PB 12 (6.5 litre)			\$16.50	\$19.40
		PB 28 (15 litre)			\$21.25	\$25.00

Species	pot size		price ea. 1000+	100+	10+	price each
<i>Ananas comosus</i>		<i>pineapple</i>				
		Easilift 25 litre				\$40.00
<i>Apodasmia similis</i>	<i>oioi</i>	<i>jointed rush, leptocarpus</i>			Northland native	
distinct jointed rushes, stems slightly zigzagging, 60cm-1.5 tall good coastal wind protection, grows happily in gardens, well suited to long lasting thatching can tolerate fresh and salt water logging, sand dunes, cliffs; drought hardy, quite good in containers						
		5cm sq.tube	strong grade	\$1.85	\$2.20	\$2.50
		10cm sq (1 ltr)		\$4.00	\$4.65	\$5.25
Apple varieties						
		Easilift 45 litre				\$34.00
<i>Araucaria heterophylla</i>		<i>Norfolk Island pine</i>				
Upright giant tree with regular branching pattern from Norfolk Island Wind hardy huge tree with timber similar to kauri, the best tree in Northland for plantation forestry very hardy and fast growing, shade tolerant when young, can thrive in sand at coastal locations						
		PB 6.5 (3.6 litre)			\$11.35	\$13.35
		PB 28 (15 litre)			\$30.00	\$35.00
<i>Aristolelia serrata</i>	<i>makomako</i>	<i>wineberry</i>			Northland native	
pioneering shrub or small tree with reddish purple leaves and bark prolific currant like berries for birds, fast growing and bushy likes cleared scrublands and forest margins						
		7 cm sq. tube			\$3.00	\$4.00
		PB 2 (1.2 litre)			\$5.45	\$5.75
<i>Arthropodium cirratum</i>	<i>rengarenga</i>	<i>rengarenga lily</i>			Northland native	
Clumping low growing lily, abundance of white flowers Nov & Dec Hardy, very good in dry conditions, under trees and in poor soil, likes full sun or shade Does esp. well under totaras, also very suitable for pots, main pest is slugs/snails, also frost tender.						
		9 cm sq. tub		\$2.45	\$2.75	\$3.50
		PB 2 (1.2 litre)			\$4.04	\$4.75
<i>Asplenium bulbiferum</i>	<i>mouku</i>	<i>hen & chicken fern</i>			Northland native	
Feathery ground fern with fronds up to 1m. Grows offspring "chickens" on frond tips. Brilliant house plant, pots or hanging baskets, likes regular air movement. Damp, but not waterlogged soil. Shade or partial sun conditions						
		7 cm sq. tube			\$2.50	\$2.50
		10cm sq (1 ltr)			\$5.14	\$6.04

Species	pot size		price ea. 1000+	100+	10+	price each
Astelia banksii	<i>wharawhara</i>	<i>coastal silver astelia</i>				Northland native
<p>Flax-like silvery bush, .5 - 1m high, stunning form and color Drought and wind tolerant, tough in a hard situation, dislikes frost. very suitable for container growing or coastal situations</p>						
	5cm sq.tube	bushy grade		\$2.25	\$2.85	\$3.50
	7cm sq. tub				\$3.19	\$3.75
	9 cm sq. tub					\$5.50
	10cm sq (1 ltr)			\$4.45	\$5.00	\$5.90
	PB 2 (1.2 litre)					\$7.75
	PB 3 (1.8 litre)				\$7.02	\$8.25
Astelia chathamica		<i>Silver Spear</i>				
<p>Chatham Island rarity - silver flax, on the Chathams up to 2 metres high but usually under 1 metre Bold foliage for a dramatic effect in landscaping, a horticultural gem Copes with extremes well, fast growing, clumping, frost hardy.</p>						
	5cm sq.tube			\$2.20	\$2.25	\$2.50
	PB 5 (2.8 litre)				\$7.14	\$8.40
Bambusa multiplex		<i>hedging bamboo</i>				
<p>Dense hedging bamboo, foliage screen, trimmable, shade or full sun Small hedging bamboo to 6m, non-invasive (ie. clumping), culms 20mm diameter turn golden in full sun Hedge, shelter hardy to minus 11 degrees C (some say minus 15), takes well to occasional trim</p>						
	PB 6.5 (3.6 litre)					\$27.50
	PB 12 (6.5 litre)				\$34.00	\$37.50
Bambusa oldhamii						
<p>Farm shelterbelt bamboo, common around Kerikeri. Gets to 17m eventually Very good wind break, privacy screen, edible shoots, clumping (does not spread) Easy to grow, likes lots of fertiliser and irrigation, new shoots in autumn</p>						
	PB 6.5 (3.6 litre)			\$24.50	\$27.50	\$32.50
Beaucarnea recurvata		<i>Pony Tail Palm</i>				
<p>Slow growing graceful palm with swollen base that can eventually get massive Drought hardy, feathery panicles of cream flowers once ten years old does well in pot, becomes multitrunked when older or if cut</p>						
	Easilift 25 litre					\$47.50
	Easilift 200 litre					\$425.00
Beilschmiedia tarairi	<i>taraire</i>	<i>taraire</i>				Northland native
<p>Large leaved forest tree, widespread in northern NZ, handsome specimen, grows to 15m + Large fleshy berry, a favourite pigeon food, interesting easily worked wood Likes a sheltered situation when young</p>						
	9 cm prop tube				\$3.75	\$4.25
Beilschmiedia tawa	<i>tawa</i>	<i>tawa</i>				Northland native
<p>tall erect forest tree, light green attractive foliage with spreading crown has aromatic leaves with medicinal properties, important bird food tree, superb hard straight timber likes shelter when young, tough and tolerant once established</p>						
	10cm sq (1 ltr)				\$5.75	\$6.50

Species	pot size	price ea. 1000+	100+	10+	price each
Blechnum gibbum Pacific Island Fern that has become very popular in cultivation Handsome specimen, beautiful symmetrical appearance. Develops a small black trunk with age Fast growing fern, tolerates full sun or shade, gets to 1 m tall,					
	PB 18 (10 litre)			\$21.70	\$21.70
Blechnum parrisiae ground fern that has colourful pinkish red new growth fronds. Used to be called Doodia media attractive hardy ground cover when planted en masse, good in rockery grows easy in exposed sun and dry but looks its best out of the wind, tolerates shade or full sun	pukupuku	Rasp fern, Doodia media			
	10cm sq (1 ltr)			\$4.25	\$5.50
Callistemon viminalis evergreen Australian shrub, bearing magnificent loads of flowers nectar rich flowers attract birds, tolerates extremely dry conditions hedge, shelter		bottlebrush			
	PB 2 (1.2 litre)			\$5.66	\$6.65
Carex dissita dwarf					
	8cm sq. tub		\$2.00	\$2.20	\$2.50
Carex secta 1 metre high grass, forms a trunk eventually, hardy to wet or dry, ex. for feeding waterfowl Superb on edge of water , along with flax this is the best native plant to put in poorly drained ground The most handsome green grass for any location	purei, pukio	wetland grass tree		Northland native	
	rootpruner cell 40/ tray		\$1.75	\$2.00	\$2.50
	8cm sq. tub			\$2.55	\$3.00
	9 cm prop tube		\$2.75	\$3.28	\$3.85
	PB 2 (1.2 litre)		\$4.00	\$4.50	\$5.00
Carex testacea Densely tufted grass with orange tips, 40 to 50 cm tall, especially nice when young NZ's most popular grass because of its wonderful evening glow, looks good en masse, also good bird food Tolerates dry site, prefers full sun, the harder the site the longer it will stay looking fresh and young		coastal orange sedge		Northland native	
	rootpruner 144/ tray		\$0.55	\$0.65	\$0.75
	5cm sq.tube			\$1.36	\$1.60
Carex virgata Green, densely tufted wetland grass or on edge of pond Tolerates poor drainage, soakage field, attracts birds with food and nesting sites not as tall as Carex secta, covers 1 square metre		wetland grass		Northland native	
	9 cm prop tube		\$2.75	\$3.28	\$3.85
Caryota ochlandra distinctive shape leaf gives this palm its common name grows to be very impressive quite hardy, easy to grow		Chinese fishtail palm			
	Easilift 35 litre				\$145.00

Species	pot size		price ea. 1000+	100+	10+	price each
Chamaecytisus palmensis		<i>tree lucerne</i>				
soft foliated legume shrub to small tree, white flowers						
super fast growing plant widely used for pioneering native trees, short life, superior fire wood						
slugs and snails can destroy young plants, not the best on heavy clay						
	9 cm prop tube			\$4.00	\$4.50	\$5.00
Citrus "Bears Lime"						
type of lime very similar to the Tahitian lime but bigger fruit						
seedless cultivar from California, grown for lime juice, vigorous						
virtually identical to Tahitian lime but a larger tree and larger fruit						
	PB 18 (10 litre)					\$21.00
	PB 28 (15 litre)					\$28.25
Citrus species						
	Easilift 25 litre				\$27.50	\$30.00
Clematis paniculata	<i>puawhanganga</i>	<i>puawhanganga</i>			Northland native	
woody vine, clusters of white flowers						
stunning when in flower in Spring, prolific flowers stand out in the bush						
likes full sun, allow to climb on young tree and it will grow up with the tree						
	PB 2 (1.2 litre)				\$6.25	\$7.25
	PB 12 (6.5 litre)				\$16.80	\$19.76
Coprosma Hawera "Ardmore Co						
A low growing Coprosma that forms a tight mat of small narrow olive-green leaves						
Great for cascading over walls, down banks or in rockeries. Very flat and compact in habit.						
Fast growing and will handle almost any conditions although particularly suited to those dry areas.						
	PB 1.5 (900 ml)				\$3.85	\$4.75
Coprosma "Black Cloud"						
Short compact bush with dark bronze-green shiny foliage						
makes a nice small bushy groundcover, easily kept low, can be encouraged up to 2 metres high						
fast growing, drought hardy, responds well to trimming						
	PB 3 (1.8 litre)				\$5.10	\$6.00
	PB 5 (2.8 litre)				\$5.75	\$6.50
Coprosma arborea	<i>maamaangi</i>	<i>tree coprosma</i>			Northland native	
	PB 2 (1.2 litre)				\$7.00	\$8.00
Coprosma grandifolia	<i>kanono, manono</i>	<i>large leaf coprosma</i>			Northland native	
large leafed red berryed shrub for part shade or understory						
excellent for birds, tolerates shade						
very hardy and drought tolerant						
	PB 3 (1.8 litre)					\$5.75

Species	pot size	price ea. 1000+	100+	10+	price each
Coprosma groundcover					
	7 cm sq. tube			\$2.10	\$2.50
	PB 1.5 (900 ml)		\$4.00	\$4.25	\$5.60
Coprosma kirkii	<i>coprosma groundcover</i>				Northland native
Dense, squat shrub, glossy bright green leaves, vigorous grower					
Useful groundcover for erosion control, clay banks and open borders, or fill ins between garden shrubs					
Sprawls over banks or rock walls, fast grower, attracts birds, mounds up on itself to 1 m high eventual					
	9 cm sq. tub		\$2.75	\$3.65	\$4.00
	PB 5 (2.8 litre)				\$5.85
Coprosma propinqua	<i>mingimingi</i>				Northland native
small leaved shrub found throughout nz along forest margins					
often found along the edges of less modified bogs, streams and swamps, tolerates moist soils					
flowers occur during early summer - white or blue drupes mature march/may, Excellent for birds					
	7 cm sq. tube			\$2.50	\$3.00
	10cm sq (1 ltr)			\$4.25	\$5.25
	PB 2 (1.2 litre)			\$6.25	\$7.50
Coprosma propinqua X	<i>mingimingi</i>				
Small glossy leaf coprosma. Grows well as a small shrub to 2m.					
Different colour and forms available; tidy and dense shrub.					
Easy to grow, stays small and compact, berries for birds.					
	PB 2 (1.2 litre)		\$4.75	\$4.00	\$4.50
Coprosma repens groundcover					
	PB 2 (1.2 litre)			\$4.47	\$5.25
Coprosma rhamnoides	<i>red-fruited karamu</i>				Northland native
tight forming, small-leaved twiggy shrub, found in lowland and subalpine scrub and forest all over n					
drupes appear in early nov as small,red berries - turn dark crimson as they ripen					
grows in understory of forest or on forest margins, gets to 2 metres high					
	5cm sq.tube		\$1.85	\$2.00	\$2.50
	9 cm sq. tub			\$4.00	\$4.50
	10cm sq (1 ltr)			\$5.25	\$6.00
Coprosma robusta	<i>karamu</i>				Northland native
Hardy pioneering bush for birds					
Prolific orange/red berries over many months, good for hedge and shelter.					
Easy to establish very hardy to salt winds and exposure, fast growing reveg plant.					
	large roottrainer		\$1.75	\$1.90	\$2.10
	PB 2 (1.2 litre)		\$4.25	\$4.50	\$4.75

Species	pot size	price ea. 1000+	100+	10+	price each
Coprosma taiko					
tight dense foliated ground cover forms a mat hardy, tough, compact Chatham I form popular groundcover					
	7 cm sq. tube	nice grade	\$1.85	\$2.20	\$2.50
	PB 1.5 (900 ml)			\$3.75	\$4.75
	PB 3 (1.8 litre)				\$6.50
Cordyline "Red Star" <i>red cabbage tree</i>					
A reddish C. australis type of cabbage tree, thin leaves, holds colour well Striking pink/red colour, very drought hardy does well in pot or planted into dry situation					
	PB 28 (15 litre)				\$24.00
	Easilift 35 litre				\$35.00
Cordyline australis <i>ti kouka, tii</i> <i>cabbage tree</i> Northland native					
Sword-like leaves, textured trunk, often painted by artists as an icon of NZ's uniqueness Magnificent flowers have a splendid scent, berries great for birds, grows fast, 1 metre per year Thrives on lots of fertiliser, extremely hardy, tolerates extremes of wet or dry, good potplant					
	rootpruner cell 40/ tray	\$1.30	\$1.45	\$1.75	\$2.00
	5cm sq.tube		\$1.50	\$2.00	\$2.50
	7 cm sq. tube		\$1.75	\$2.00	\$2.50
	10cm sq (1 ltr)		\$4.25	\$4.47	\$5.25
	PB 6.5 (3.6 litre)			\$5.75	\$6.50
	PB 12 (6.5 litre)				\$14.75
	PB 28 (15 litre)				\$22.00
	Easilift 25 litre				\$35.00
Cordyline kaspar <i>3 Kings Island Cabbage Tree</i>					
Broader leaf offshore island form, tend to be shorter than normal cabbage tree very drought hardy, likes dry position gets large after many years					
	PB 18 (10 litre)				\$17.50
	PB 28 (15 litre)			\$20.00	\$20.00
Corokia "Geenty's Green" <i>korokio</i>					
Bright green dense bush that grows to 2.5 metres eventually. Great for hedging, topiary, easy to trim Stays small and bushy, berries attract birds, very fresh green foliage, tidy The best Corokia					
	PB 1.5 (900 ml)			\$4.50	\$5.60
Corokia species					
various popular species, bushy stout shrubs with lots of berries for birds					
	PB 1.5 (900 ml)				\$3.75
	PB 3 (1.8 litre)				\$5.75
	PB 12 (6.5 litre)				\$12.00

Species	pot size		price ea. 1000+	100+	10+	price each
Corynocarpus laevigatus	<i>karaka</i>	<i>karaka</i>				Northland native
Forest tree, broad shiny leaves, large orange berries						
Hardy, good shade tree, supports lots of pigeons, attractive specimen.						
Hedge, coastal shelter or feature tree.						
		PB 3 (1.8 litre)			\$6.40	\$7.50
Cryptomeria japonica		<i>Japanese cedar - tsugi</i>				
Handsome conifer native to Japan, grows large eventually, often seen in NZ shelterbelts						
superior timber species, used for traditional houses in Japan and considered sacred						
likes free draining site, will take a trimming well						
		5cm sq.tube		\$1.75	\$2.00	\$2.50
		7 cm sq. tube			\$2.25	\$3.00
		PB 3/4 (450ml)		\$3.50	\$4.25	\$5.00
		PB 2 (1.2 litre)			\$6.75	\$7.50
Cyathea dealbata	<i>ponga</i>	<i>silver fern</i>				Northland native
Tree fern with peg like frond bases on trunk, silver undersides to fronds.						
One of NZ's national emblems best known for night time track markers and quite durable trunks used for whare						
Slow growing at first, but easy to establish in shade, needs shelter from wind; lives a long time.						
		PB 5 (2.8 litre)			\$8.25	\$9.66
		PB 18 (10 litre)				\$24.50
Cyathea medullaris	<i>mamaku</i>	<i>black tree fern</i>				Northland native
The tallest growing of NZ's tree ferns, black trunk with diamond shape marks						
Can handle shade or full sun, fronds spread up to 5m wide, very fast growing						
Likes moisture and fertility and shelter, but can grow in open						
		PB 3 (1.8 litre)				\$7.75
		PB 6.5 (3.6 litre)				\$12.50
		PB 18 (10 litre)				\$15.75
		PB 28 (15 litre)				\$22.75
Cyathea smithii	<i>kaatote</i>	<i>soft tree fern, katote</i>				Northland native
Very attractive tree fern, grows to medium height, 3 to 6m, width 3m						
Magnificent asset to fern gardens, fronds can take full sun, get to 2 m long with prominent yellowish midrib						
Must have protection from wind and frost. Likes moisture. Deep damp bush is preferred						
		PB 5 (2.8 litre)			\$11.25	\$12.60
		PB 12 (6.5 litre)				\$24.75
		Easilift 45 litre				\$65.00
		Easilift 150L	only two avail.			\$175.00
Cyathea tomentissima						
Exotic fern from New Guinea, medium size						
very attractive , delicate foliage						
Gets to 3 m high eventually. Handles full sun but not much frost .						
		PB 5 (2.8 litre)				\$13.65

Species	pot size		price ea. 1000+	100+	10+	price each
Dacrycarpus dacrydioides	<i>kahikatea</i>	<i>White pine</i>				Northland native
<p>NZ's tallest native tree up to 60m, dark juvenile foliage turns blue-green with a handsome cypress like form Great quantities of edible red berries make this one of the most important and reliable bird trees Can grow right on the waters edge and even in water, but will also grow on drier sites.</p>						
		seedling		\$0.50		
		rootpruner 63 tray		\$1.75	\$2.00	
		4cm sideslot		\$1.75	\$2.00	\$2.50
		5cm sq.tube		\$1.75	\$2.00	\$2.50
		PB 6.5 (3.6 litre)		\$8.75	\$9.00	\$10.85
		PB 18 (10 litre)			\$9.25	\$22.50
Dacrydium cupressinum	<i>rimu</i>	<i>rimu</i>				Northland native
<p>Handsome forest tree, elegant graceful drooping leaves, straight trunk, ancient Gonwanaland lineage Extremely attractive specimen, especially our soft green Northland form grown from seed Best suits deep rich soil, very drought hardy once established</p>						
		10cm sq (1 ltr)		\$6.00	\$6.45	\$7.50
		PB 6.5 (3.6 litre)			\$10.63	\$12.50
		PB 12 (6.5 litre)				\$20.00
Dianella nigra	<i>turutu</i>	<i>blueberry - native</i>				Northland native
<p>Clumping small flax-like plant; graceful arching leaves with purplish hue to base, up to 60 cm tall Extremely ornamental, profuse delicate highly polished purple-blue-white berries Will grow in full sun but is happiest in part shade and moist conditions, forest margins and road edges.</p>						
		5cm sq.tube		\$1.75	\$2.25	\$2.50
		PB 2 (1.2 litre)			\$6.20	\$7.75
Dicksonia squarrosa	<i>wheki-punga</i>	<i>punga, wheki-punga</i>				Northland native
<p>Small tree fern which is the only one to occasionally have a branching trunk and suckers. Popular garden tree fern, superb internal pattering of trunk when hewn clean Hardy, tolerates semi open positions once established, loves mulched roots</p>						
		PB 12 (6.5 litre)			\$16.79	\$19.75
		PB 28 (15 litre)				\$27.50
Dodonaea viscosa	<i>akeake</i>					Northland native
<p>Attractive shrub to 3m suits dry sites only and does not appreciate fertiliser Fast growing, very tough heavy wood suits pate (cosh), tools. Hedge, particularly hardy in open situation, satisfactory against the rigors of motorways.</p>						
		7 cm sq. tube		\$1.80	\$2.00	\$2.50
Dysoxylum spectabile	<i>kohekohe</i>	<i>kohekohe</i>				Northland native
<p>Handsome timber and shade tree, large glossy leaves attractive as a juvenile Profuse flowers that stem from the trunk present an unusual sight, very fast growing in warm location Requires deep moist soils, frost tender.</p>						
		PB 2 (1.2 litre)			\$6.25	\$7.50
Elaeocarpus hookerianus	<i>pokaka</i>	<i>pokaka</i>				Northland native
<p>forest tree, medium sized up to 15m, adult foliage bears no resemblance to juvenile rare, unusual specimen, several stages of foliage with interlaced branches present interesting shapes suits deep soil and sheltered position</p>						
		10cm sq (1 ltr)				\$4.75

Species	pot size	price ea. 1000+	100+	10+	price each
Entelea arborescens	<i>whau</i>	<i>NZ cork wood</i>		Northland native	
Very fast growing big leafed tree which frequently exhibits great luxuriance Fastest native, good on coast, shades out kikuyu, has prolific white flowers Outstanding garden shrub, tolerant of drought.					
	5cm sq.tube		\$1.60	\$2.00	\$2.50
	7 cm sq. tube		\$1.75	\$2.00	\$2.50
	10cm sq (1 ltr)			\$3.75	\$4.00
	PB 3 (1.8 litre)				\$5.25
Eucalyptus ficifolia		<i>stringy-bark</i>			
Small tree from Western Australia, widely grown as ornamental and street tree Stunningly beautiful flowers, attract birds and bees, flower in summer Gets to 8 m tall in 12 years, prefers good drainage, flowers at a relatively young age					
	PB 6.5 (3.6 litre)	chunky grade		\$9.23	\$10.85
	PB 18 (10 litre)				\$16.50
Eucalyptus melliodora					
medium sized gum, very hardy, produces excellent quality very durable timber the best eucalypt for bees, prolific nectar production good shelter and firewood tree, gets to 20 m tall					
	PB 2 (1.2 litre)			\$5.66	\$6.65
Fargesia nitida		<i>fountain bamboo</i>			
Clumping bamboo, delicate culms change from red to dark blackish purple Small diameter culms, very good in a container, 4 m tall, clump forming, clump slowly gets larger, cold hardy					
	PB 6.5 (3.6 litre)				\$32.50
Feijoa sellowiana		<i>feijoa</i>			
bushy fruiting hedge plant, popular in NZ as hedge or garden specimen seedlings from large fruiting varieties like compost and fertiliser and a warm sunny position,					
	PB 18 (10 litre)			\$17.50	\$19.50
Fertiliser - planting tabs					
2 year slow release nutrient tab for burying in soil next to plant supplies the plant needs for up to 2 years, can be used on existing plants do not plant directly on top of planting tab, best placed in slit on uphill side, 1 pellet per small tree					
	per each		\$0.09	\$0.12	\$0.13
	Packet			\$9.00	\$12.00
Ficus		<i>fig - cultivars</i>			
Cutting of selected fig cultivars that suit Northland conditions Delicious fruit in autumn with red or brown flesh Likes moist location and humidity, gets big eventually.					
	PB 8 (4.5 litre)			\$10.00	\$12.50

Species	pot size	price ea. 1000+	100+	10+	price each
Fraxinus uhdei					
		<i>evergreen ash</i>			
Fast growing timber tree, handsome specimen					
Possum resistant; tough springy wood. Enjoys a moist situation					
Extremely fast grower in a moist situation.					
	PB 6.5 (3.6 litre)			\$6.00	\$6.50
	PB 12 (6.5 litre)			\$10.00	\$12.50
Geniostoma ligustrifolium	<i>hangehange</i>	<i>hangehange</i>			
				Northland native	
bushy shrub, up to 4m, pleasant pale green fresh shiny leaves					
good contrast in landscaping, has the ability to screen dry awkward areas					
useful under trees where few others will grow					
	PB 2 (1.2 litre)			\$5.66	\$6.65
Gleditsia triacanthos inermis					
		<i>thornless honey locust</i>			
hardy deciduous tree producing high protein pods for stock fodder					
this variety has no thorns, good timber					
hedge, shelter					
	PB 12 (6.5 litre)			\$12.00	\$15.00
Griselinia littoralis	<i>papaumu</i>	<i>broadleaf</i>			
				Northland native	
Glossy leafed handsome bush with thick shining lush green leaves with equally attractive trunk and branches					
A most accommodating garden subject, stands any amount of pruning, good for birds, durable timber					
Particularly tolerant of persistent winds, dense and leafy hedge plant					
	10cm sq (1 ltr)		\$4.40	\$4.50	\$5.00
	PB 5 (2.8 litre)			\$6.00	\$6.50
	PB 12 (6.5 litre)		\$12.75	\$13.50	\$15.50
	PB 18 (10 litre)			\$17.00	\$20.00
	PB 28 (15 litre)			\$23.50	\$27.50
Griselinia lucida	<i>akapuka</i>	<i>shining broad leaf</i>			
				Northland native	
thick leathery handsome glossy big-leafed small tree or shrub, often epiphytic in forest canopy					
extremely drought hardy, popular pot plant one of the most impressive of our native foliage trees					
easy to grow in any situation, gets big eventually. wind and salt resistant					
	PB 40 (22 litre)				\$25.00
Hebe "Flame"					
Attractive bushy shrub, gets to 750 mm tall and wide, shiny leaves					
striking magenta flowers in autumn, fade to dark pink					
likes dry location, steep bank, full sun. Good grower in Northland					
	10cm sq (1 ltr)			\$5.25	\$6.00
	PB 2 (1.2 litre)			\$6.00	\$7.00
Hebe topiaria					
Tightly compact shrub. Small blue grey leaves.					
Rarely needs trimming. Tidy low border hedge					
grows well in Northland, prefers dry place, full sun					
	PB 2 (1.2 litre)				\$7.00

Species	pot size	price ea. 1000+	100+	10+	price each
Hebe varieties	<i>koromiko</i>				
Rounded compact bushes, dense flowering, drought hardy excellent low shrubs for small garden, handles dry windy conditions Flowers range from white, pink, mauve, magenta, through to purple purple flowers.					
	10cm sq (1 ltr)		\$4.75	\$5.25	\$6.00
Hoheria populnea	<i>houhere</i>	<i>lacebark</i>			Northland native
one of our best known and widely grown hardy beautiful flowering trees smothered in white flowers in late summer to autumn worth a place in any garden, pigeons eat leaves rapid growth as shelter plant, will grow anywhere but prefers good drainage, tolerates hard pruning					
	9 cm sq. tub		\$2.75	\$2.85	\$3.25
	PB 2 (1.2 litre)		\$4.75	\$5.00	\$6.65
	PB 3 (1.8 litre)			\$4.40	\$4.90
Hymenosporum flavum		<i>Frangipani (Australian)</i>			
An evergreen tree to about 20m (60') tall in cultivation, but larger in its natural habitat. The branches grow in distinct horizontal layers, and the leaves are dark green and glossy with a hairy underside. Scented flowers are whitish cream aging to deep yellow, followed by pear-shaped woody capsules					
	PB 18 (10 litre)			\$20.00	\$22.50
Juncus pallidus	<i>wi</i>				
2m tall giant rush. Excellent around ponds and waterways					
	5cm sq.tube		\$1.75	\$2.00	\$2.50
Knightsia excelsa	<i>rewarewa</i>	<i>NZ honeysuckle</i>			Northland native
Tall tapering distinctive tree from the Protea family, very upright serrated almost woody leaves, Bright blood red flowers in Oct - Nov, superb figured heartwood, admirable as a specimen tree Tolerates clay soils and very dry harsh conditions, also coastal fertile soil too.					
	7 cm sq. tube		\$1.85	\$2.25	\$3.00
	PB 6.5 (3.6 litre)			\$7.75	\$8.75
Kunzea species	<i>kanuka</i>	<i>white tea-tree</i>			
Shrub growing into small tree, common throughout nz, very hardy Kanuka is a very variable genus composed of 10 species, at least 3 in Northland These plants are selected as being suitable to the particular requirements of each planting site					
	rootpruner 63 tray		\$1.35	\$2.00	\$2.00
	5cm sq.tube		\$1.50	\$1.75	\$2.00
	7 cm sq. tube		\$1.60	\$2.00	\$2.50
	9 cm prop tube		\$2.45	\$3.25	\$3.50
	PB 2 (1.2 litre)			\$4.21	\$4.95
Laurelia novae-zelandiae	<i>pukatea</i>	<i>NZ Bay tree</i>			Northland native
Handsome aromatic tree with shiny black twigs and branches, bright green thick leaves with fresh pleasing appearance Attractive specimen, grows in swamps, capable of growing large Tolerates very poor drainage and flooding for long periods, does not like drying out					
	PB 5 (2.8 litre)			\$7.00	\$7.50

Species	pot size		price ea. 1000+	100+	10+	price each
Leptospermum scoparium	<i>manuka</i>	<i>tea-tree</i>				Northland native
Very hardy shrub with sharply pointed aromatic leaves, profuse white to pink flowers Shelter, used in revegetation as pioneer, floral display, first rate medicinal honey and oil, superb firewood Adaptable to wide changes of environment, tolerate wet, dry, hot or cold wind or salt spray						
	seedling	high umf strains	\$0.13	\$0.15		
	rootpruner 63 tray		\$1.20	\$1.35	\$2.00	\$2.00
	10cm sq (1 ltr)		\$3.33	\$3.60	\$4.00	\$4.50
Leptospermum scoparium colour	<i>manuka</i>	<i>mixed colour seedlings</i>				
mixture of coloured flowering manuka, from light pink to red attractive garden or hedge shrub, tends to have more purple foliage than normal tea tree hedge, shelter, doesn't get as big as normal white tea tree						
	PB 5 (2.8 litre)			\$7.50	\$8.25	\$9.75
Libocedrus plumosa	<i>kawaka</i>	<i>kawaka</i>				Northland native
most handsome symmetrical coniferous form, deep green sheen to foliage, very attractive, one of Northland's top ornamental native trees, durable fragrant useful timber, uncommon in the wild Likes a well drained situation anywhere from coast to steep hillsides						
	7 cm sq. tube				\$4.00	\$5.00
	PB 3 (1.8 litre)				\$8.38	\$10.00
	PB 12 (6.5 litre)					\$17.64
	Easilift 25 litre	superb specimens				\$60.00
Liquidambar styraciflua		<i>liquid amber</i>				
popular deciduous specimen that gets quite large eventually one of the few trees in Northland to go really red during autumn						
	PB 6.5 (3.6 litre)				\$8.75	\$9.75
Lophostemon confertus		<i>Queensland Brush Box</i>				
Tree from Australia nice street tree, timber as well tolerates lots of moisture						
	PB 6.5 (3.6 litre)					\$9.45
Machaerina articulata	<i>wi</i>	<i>Jointed twig rush</i>				
tall rush of wetlands, very good for birds esp bitterns						
	5cm sq.tube				\$2.00	\$2.50
Machaerina sinclairii	<i>pepepe, tuhara</i>	<i>pepepe</i>				Northland native
very handsome bright green flat iris like shining leaves, large leafy clumping plant, 30cm-1.5m graceful & distinctive, attractive in garden, red brown flower heads persistently last for months sun or light shade, effective as a single plant or when several are grouped beside water						
	PB 3 (1.8 litre)				\$8.50	\$9.75
Macropiper excelsum	<i>kawakawa</i>	<i>kawakawa - pepper tree</i>				Northland native
Small densely branched aromatic shrub, large heart shaped leaves and blackish stems Fruit, bark & leaves all have medicinal properties, the very best kereru fruit tree (Jan-March) Prefers semi shade or forest margin,, suits pots or tubs, an asset to any garden						
	10cm sq (1 ltr)			\$3.75	\$4.47	\$5.25

Species	pot size	price ea. 1000+	100+	10+	price each
Macrozamia communis	<i>Burrawong cycad</i>				
Popular cycad very hardy and attractive slow growing, long lived, drought hardy, handles full sun or shade					
	Easilift 60 litre				\$275.00
Melicope ternata	<i>wharangi</i>	<i>wharangi</i>		Northland native	
Attractive bushy round topped shrub, up to 6m tall, lush appearance Elegant aromatic shrub attractive bright green/ yellow shiny leaves arranged in threes Rather tender in colder districts, enjoys windy and coastal locations					
	10cm sq (1 ltr)				\$4.83
Melicytus macrophyllus	<i>mahoe</i>	<i>mahoe (large leaved)</i>		Northland native	
Large leafed green shrub that attracts lots of birds with speckled purple/black berries grows well on coastal or inland forest margins, fresh colored foliage, 4 m high suitable as a hedge in sheltered location, requires a good garden soil to do well					
	10cm sq (1 ltr)			\$4.52	\$5.31
Melicytus ramiflorus	<i>mahoe</i>	<i>mahoe, whitey wood</i>		Northland native	
Small bushy tree, fresh green foliage, pale or whitish bark clusters of fragrant yellow flowers followed by purple fruit, very good for birds, good hedge or shelter grows throughout NZ will tolerate considerable exposure, does best in shelter when young					
	5cm sq.tube		\$1.75	\$1.80	\$2.00
	7 cm sq. tube		\$1.90	\$2.25	\$2.50
	PB 2 (1.2 litre)		\$4.75	\$5.25	\$6.00
	PB 3 (1.8 litre)		\$5.25	\$5.90	\$7.00
Metrosideros "Maori Princess"	<i>pohutukawa</i>				
Beautiful coastal tree, selected very upright form. Red flowers at Christmas time Likes free draining soil, can handle drought and low fertility					
	Easilift 60 litre				\$60.00
Metrosideros carminea	<i>akakura</i>			Northland native	
rata, starts as a climbing vine, establishes as a tree, thick oblong smallish dark green leaves masses of brilliant carmine flowers so abundant as to conceal the leaves slow, can be trained as a climber or a bush, tolerant of any soil type, suitable on clay banks					
	10cm sq (1 ltr)			\$6.25	\$7.35
	17 cm (2.5 l) pot			\$12.50	\$13.50
	PB 18 (10 litre)				\$27.50
Metrosideros excelsa	<i>pohutukawa</i>			Northland native	
massive spreading coastal trees, stays small if contained, often bent & gnarled. masses of beautiful red flowers Xmas time, one of the top 10 flowering trees of the world hedge, coastal shelter, salt tolerant, drought hardy and grows well inland, good timber					
	5cm sq.tube		\$1.60	\$1.75	\$2.00
	10cm sq (1 ltr)			\$4.00	\$4.50
	PB 6.5 (3.6 litre)				\$8.75

Species	pot size	price ea. 1000+	100+	10+	price each
Metrosideros fulgens	<i>rata</i>	<i>rata</i>			
nice flowering rata tree, grows quite quickly into small tree prolific winter flowering of red to scarlet flowers					
	4cm sideslot		\$1.90	\$2.25	\$2.50
	5cm sq.tube		\$1.90	\$2.25	\$2.65
	PB 2 (1.2 litre)		\$6.50	\$7.50	\$8.00
	PB 6.5 (3.6 litre)			\$10.20	\$12.00
	PB 18 (10 litre)			\$21.50	\$25.00
Metrosideros perforata	<i>aka</i>	<i>white rata</i>			Northland native
rata, starts as a climbing vine, establishes as a tree after many hundreds of years thick oblong smallish dark green leaves, profuse white flowers good for bees can be grown as groundcover, hanging basket, small bush or climber					
	10cm sq (1 ltr)		\$6.00	\$6.50	\$8.00
	17 cm (2.5 l) pot			\$16.51	\$19.42
	22cm (5 l.) pot			\$21.11	\$24.83
	Easilift 25 litre				\$48.70
Metrosideros robusta	<i>rata</i>				Northland native
climbing vine that can become a tree after many years flowers prolifically red like pohutakawa but more scarlet plant as tree by itself in the open in frost free spot or train up another tree					
	5cm sq.tube			\$2.75	\$4.00
	10cm sq (1 ltr)			\$8.50	\$9.75
Muehlenbeckia axillaris	<i>pohuehue</i>	<i>creeping muehlenbeckia</i>			
springy, creeping, vine-like ground cover excellent species for bare areas or draping over rocks, extremely hardy tough as in dry conditions					
	10cm sq (1 ltr)			\$4.47	\$5.25
Muehlenbeckia complexa	<i>pohuehue</i>	<i>pohuehue</i>			Northland native
coastal bushy groundcover, poioneer of sand dunes drought hardy landscaping plant climber					
	PB 3 (1.8 litre)			\$5.32	\$6.25
Myoporum laetum	<i>ngaio</i>	<i>ngaio</i>			Northland native
Bright green tree with stout spreading branches to 3 metres on exposed site, much larger inland, fast growing, hardy Superb fast growing coastal shelter, wind resistant, responds well to trimming, produces lots of berries for birds Coastal shelter, very tough.					
	9 cm sq. tub				\$3.50
Myrsine aquilonia		<i>Poor Knights myrsine</i>			Northland native
Striking appearance, stiffly weeping, low bushy divaricating shrub, heart shaped leaf, usually coastal Drought hardy, good pioneer on hard coastal steep clay bank, salt spray tolerant Very hardy, ideal specimen plant, suit hard sites, Excellent for a clipped hedge.					
	PB 2 (1.2 litre)			\$7.16	\$8.00

Species	pot size		price ea. 1000+	100+	10+	price each
Myrsine australis	<i>mapou, matipo</i>	<i>mapou</i>				Northland native
<p>Reddish stems and petioles, a handsome foliage plant, one of the best natives for hedging or shelter Good for birds, hardy pioneer, extremely tough even in poor soils 4 metres in 10 yrs, not as fast as a pitto but denser, tolerates pruning well, can be kept low</p>						
		5cm sq.tube		\$1.60	\$1.75	\$2.00
		7 cm sq. tube			\$1.85	\$2.50
		9 cm prop tube			\$3.50	
		PB 2 (1.2 litre)			\$5.25	\$6.00
		PB 3 (1.8 litre)			\$5.53	\$6.50
		PB 5 (2.8 litre)				\$7.75
Olearia albida	<i>tanguru</i>	<i>coastal tree daisy</i>				Northland native
<p>Shrub up to 5m high, with leathery leaves greyish green above and white below Flowers borne in large panicles appear from Jan-May, very tough hedge particularly useful in dry places</p>						
		5cm sq.tube		\$1.75	\$2.00	\$2.50
		PB 3 (1.8 litre)			\$5.32	\$6.25
		PB 5 (2.8 litre)		\$6.00	\$7.14	\$8.40
Olearia lineata "Dartonii"						
<p>green to grey-green leaves with very white undersides, pendulous growth habit fast growing wind shelter tough plant can handle cold and windy location, steep banks, grows nearly anywhere</p>						
		7 cm sq. tube			\$2.50	\$3.00
		10cm sq (1 ltr)			\$5.00	\$6.00
Olearia paniculata	<i>akiraho</i>	<i>akiraho</i>				
<p>shrub to 6m pale yellow-green leaves with white tomentum on the undersides, suits hedging tolerant to exposed sites, drought hardy will not tolerate wet feet which will sometimes cause collapse of the plant</p>						
		PB 3 (1.8 litre)			\$5.32	\$6.25
Olearia traversii	<i>akeake</i>	<i>Chatham Island akeake</i>				
<p>small wind hardy shrub with thin oval leaves, can eventually grow into a tree when very old usually used as a hedging plant, very tough against coastal wind hedge, shelter, wind no problem</p>						
		PB 12 (6.5 litre)			\$12.50	\$15.00
Ophiopogon japonica		<i>black mondo grass</i>				
<p>Black leaved strap-like foliage, 10cm high grass Allied to lily of the valley, small white flowers, stunning contrast plant for rock gardens Used for contrast, ie. in white pebble garden</p>						
		7 cm sq. tube		\$2.25	\$2.75	\$3.50
Passiflora edulis		<i>passionfruit</i>				
<p>Vine which produces edible fruits in March grows fast, prolific producer after 2 years plant in well drained soil with something for it to climb on</p>						
		PB 3 (1.8 litre)				\$7.35

Species	pot size		price ea. 1000+	100+	10+	price each
Pennantia corymbosa	<i>kaikomako</i>	<i>kaikomako</i>				Northland native
<p>a handsome flowering and foliage tree, juvenile stage is persistent for many years delightfully fragrant flowers(nov-feb) and fruit (feb-may) attracts birds suits good reasonably moist soil</p>						
		PB 5 (2.8 litre)				\$12.25
Phormium cookianum	<i>wharariki</i>	<i>mountain flax</i>				Northland native
<p>Hardy flax to 1m, fresh green foliage, seed pods pendulous and twisted Landscaping, tolerates extremes, suitable for small gardens, steep clay banks Excellent food for tuis, yellow flowers earlier than tenax</p>						
		5cm sq.tube		\$1.50	\$2.00	\$2.50
		7cm sq. tub		\$1.75	\$2.00	\$2.50
		8cm sq. tub		\$2.00	\$2.25	\$2.75
		PB 2 (1.2 litre)				\$4.00
		PB 5 (2.8 litre)				\$6.50
Phormium tenax	<i>harakeke</i>	<i>flax</i>				Northland native
<p>Olive-green clumps of leaves, a common NZ plant, diverse landscaping uses, grows to 2m+ Extremely hardy to wet or dry, attracts tuis, good for weaving and medicine This is the biggest most vigorous variety, grows nearly anywhere including pure sand</p>						
		50 cell tray		\$1.50	\$1.79	\$2.10
		60 cell tray		\$1.50	\$1.79	\$2.10
		rootpruner cell 40/ tray			\$1.60	
		PB 3/4 (450ml)		\$1.85	\$2.50	\$3.00
		PB 2 (1.2 litre)		\$4.00	\$4.25	\$4.75
Phormium tenax purpurea		<i>purple flax</i>				Northland native
<p>Bold flax to 1.2m, dark purple foliage, seedlings selected for vigour and colour. Contrast in landscaping especially if used en masse, attracts tuis. A medium size flax, tolerates wet or dry, full sun or shade</p>						
		7 cm sq. tube			\$2.00	\$2.50
		PB 3 (1.8 litre)			\$6.25	\$7.35
		PB 6.5 (3.6 litre)			\$9.75	\$11.00
Phyllocladus trichomanoides	<i>tanekaha</i>	<i>celery pine</i>				
<p>Ancient forest tree of dry sites 25m, tall pyramid shaped when mature. Likes dry sites, superb timber, tough and elastic, boatbuilding, instruments Seedlings appreciate semi shade and free draining soil, can tolerate close competition, slow at first.</p>						
		10cm sq (1 ltr)			\$6.00	\$6.00
		PB 6.5 (3.6 litre)			\$11.75	\$13.50
Pisonia brunoniana	<i>parapara</i>	<i>bird catcher tree</i>				Northland native
<p>Medium size tree with tropical appearance, large shining dark green leaves Superb native house plant, coastal species. Sticky seeds are favourite food for pigeons, only sometimes catch small birds. Tolerates only light frosts,</p>						
		PB 6.5 (3.6 litre)			\$5.50	\$7.65

Species	pot size		price ea. 1000+	100+	10+	price each
Pittosporum crassifolium	<i>karo</i>	<i>karo</i>				Northland native
Coastal shrub with erect habit of growth and thick leathery leaves, to 4m Wind hardy, drought hardy, heavily scented purple flowers very good pitto for exposed coastal conditions, makes a good hedge						
		5cm sq.tube				\$2.00
		7 cm sq. tube		\$2.25	\$2.50	\$3.00
		10cm sq (1 ltr)			\$4.47	\$5.25
		PB 3 (1.8 litre)			\$4.95	\$6.50
Pittosporum eugenioides	<i>tarata</i>	<i>lemonwood</i>				Northland native
Hardy and fast NZ pitto, yellow-green leaves, dense foliage Excellent hedging or shelter plant, lemon-like smell, small purple heavily scented flowers The most vigorous pitto, likes good drainage						
		10cm sq (1 ltr)			\$3.75	\$4.00
		PB 2 (1.2 litre)			\$5.66	\$6.65
Pittosporum tenuifolium	<i>kohuhu</i>	<i>kohuhu</i>				Northland native
Small green leaves, rounded shrub, reliable specimen, grows into tree unless trimmed. NZ's most popular hedging & shelter tree, very hardy, flowers smell nice. Easy to grow, loves a hard prune						
		10cm sq (1 ltr)				\$4.00
Plagianthus betulinus	<i>manatu</i>	<i>ribbonwood</i>				Northland native
Very upright lowland and river flat tree, semi-deciduous, fast growing Delicately divided leaves, superb garden specimen, glorious dainty form & spring growth color Does best on a fertile lowland site, but hardy on poor clay too., good street tree.						
		seedling		\$0.40		
		5cm sq.tube		\$1.50	\$1.75	\$2.00
		7 cm sq. tube		\$1.75	\$2.00	\$2.50
		9 cm sq. tub			\$3.25	\$3.75
		10cm sq (1 ltr)		\$3.76	\$4.48	\$5.26
		PB 2 (1.2 litre)		\$4.75	\$5.10	\$6.00
Plagianthus divaricatus	<i>makaka</i>	<i>saltmarsh ribbonwood</i>				Northland native
Densely interlaced diveracating shrub, round & bushy 2-3m high, white berries for birds Tolerates extreme salt, wind, drought and poor drainage Suits hedge and shelter, tolerates rugged conditions, grows on coast edge right next to mangroves.						
		5cm sq.tube				\$2.00
		7 cm sq. tube			\$2.20	\$2.50
Planchonella costata	<i>tawapou</i>	<i>tawapou</i>				Northland native
handsome closely branched coastal tree with shiny deep green foliage distinctive large berry and attractive smooth polished seed, 1st rate fruit for birds hedge, shelter, coastal hardy						
		10cm sq (1 ltr)			\$4.73	\$5.55

Species	pot size		price ea. 1000+	100+	10+	price each
Pneumatopteris pennigera	<i>paakau</i>	<i>gully fern</i>				
Large ground fern, fronds grow to 1.5m long and 40cm wide Lush green looking Likes shade, dappled sunlight and moisture.						
	PB 12 (6.5 litre)					\$26.85
Pomaderris kumeraho	<i>kumerahou</i>	<i>golden tainui</i>			Northland native	
round shrub with golden yellow flowers excellent medicinal plant, aromatic leaves & flowers good on clay soils, water sparingly, sometimes short lived						
	4cm sideslot				\$2.00	\$2.00
	5cm sq.tube				\$2.00	\$2.23
	10cm sq (1 ltr)				\$5.75	\$6.76
	PB 2 (1.2 litre)				\$5.75	\$7.00
	PB 18 (10 litre)				\$12.50	\$15.75
Pratia angulata						
	13 cm (1 l) round				\$3.50	\$4.00
Prumnopitys ferruginea	<i>miro</i>	<i>miro</i>			Northland native	
Fine tall round headed forest tree, slow growing, gracefull drooping habit, wood hard & durable, good pigeon food, makes a fine specimen tree suits a well sheltered site						
	10cm sq (1 ltr)				\$6.25	\$7.50
	PB 6.5 (3.6 litre)				\$12.75	\$15.00
Prumnopitys taxifolia	<i>matai</i>	<i>matai</i>			Northland native	
Robust roundheaded tree, divaricating orange juvenile foliage Wood is brown, heavy & very hard, handsome grain, interesting form when young Very hardy but slow unless sheltered						
	10cm sq (1 ltr)				\$6.25	\$7.50
	PB 5 (2.8 litre)					\$15.00
Pseudopanax arboreus	<i>puahou</i>	<i>forest 5 finger</i>			Northland native	
Small much-branched round-headed shrub with glossy palmate leaves Common NZ native, sweet scented flowers in June followed by plentiful berries which attract birds. Suits hard clay open sites no problem, grows under pine and gum competition.						
	7 cm sq. tube				\$2.25	\$3.00
	PB 2 (1.2 litre)				\$6.22	\$7.32
	PB 3 (1.8 litre)				\$6.00	\$7.25

Species	pot size	price ea. 1000+	100+	10+	price each
Pseudopanax crassifolium	<i>horoeaka</i>	<i>lancewood</i>		Northland native	
Gnarled trunked tree, interesting multi stage growth forms, creates dramatic architectural impact					
Prehistoric juvenile long leaves followed by stunning teen-aged toothed form and finally stubby adult foliage					
Wind hardy. Best in free draining location, berries are important bird food. 6m tall after 10 years					
	5cm sq.tube	excellent grade	\$1.85	\$2.10	\$2.50
	PB 2 (1.2 litre)			\$6.25	\$7.00
	PB 12 (6.5 litre)			\$12.75	\$15.00
Pseudopanax crassifolium x		<i>lancewood natural hybrid</i>			
Lancewood naturally hybridising with coastal 5 finger making very unusual foliage					
bushy shrub to 5 metres					
dislikes poor drainage					
	Easilift 45 litre	2m plus			\$70.00
Pseudopanax lessonii	<i>houpara</i>	<i>coastal 5 finger</i>		Northland native	
Bushy shrub to 4m, shiny leathery leaves, always good looking					
Long recognised as a superior landscaping native, reliable shrub, drought hadry					
Hedge, shelter, coastal, very tough plant that will grow any where, drought hardy.					
	5cm sq.tube		\$1.65	\$1.80	\$2.00
	7 cm sq. tube		\$1.80	\$2.00	\$2.50
	10cm sq (1 ltr)			\$4.47	\$5.25
	PB 2 (1.2 litre)		\$5.50	\$6.00	\$7.00
	PB 12 (6.5 litre)			\$13.00	\$15.00
Pseudowintera colorata	<i>horopito</i>	<i>pepper tree</i>			
small tree, leaves are extensively blotched red, interesting foliage effect					
leaves are aromatic when crushed, highly medicinal					
quality hedge, can tolerate heavy shade					
	PB 12 (6.5 litre)			\$16.95	\$19.93
Quercus palustris		<i>pin oak</i>			
attractive deciduous shade tree, red foliage in autumn					
widely planted around Cambridge/Waikato					
	PB 28 (15 litre)			\$20.00	\$23.50
Rhododendron vireya					
	PB 12 (6.5 litre)				\$14.00
Rhopalostylis bauerii		<i>Kermadec Island nikau</i>			
Rare palm from Kermadec Islands, feather-like fronds bright green and fairly upright					
Similar to NZ nikau, but more open crown, wider leaves and faster growing if in warm sheltered location.					
Best in semishady, damp conditions, can handle full sun and some wind but dislikes frost or cold position					
	9 cm prop tube		\$3.75	\$4.50	\$5.50
	PB 5 (2.8 litre)			\$8.50	\$9.75
	Easilift 35 litre				\$47.50
	Easilift 150L				\$125.00

Species	pot size	price ea. 1000+	100+	10+	price each
Rhopalostylis oceaia	<i>nikau - Chatham Island</i>				
Very graceful looking palm, bluish glaucous hairs on leaf base, arching leaves quite broad for a nikau Hardy, can tolerate light frost, salt wind, full sun and exposure better than any other palm Fast growing, the hardiest native palm.					
	Easilift 25 litre				\$42.50
	Easilift 35 litre			\$52.50	\$57.50
	Easilift 45 litre			\$57.50	\$67.50

	Easilift 200 litre				\$302.62
Robinia pseudoacacia	<i>Black Locust</i>				
Black locust is a rapidly growing, deciduous tree that is native to North America. .Black locust is a tree up to 25 m high with a rounded crown and a trunk up to 1 m in diameter Its cultivars include pink-flowered and metallic, yellowish-green leafleted forms.					
	10cm sq (1 ltr)			\$4.75	\$5.50
Schefflera digitata	<i>pate</i>	<i>seven finger</i>	Northland native		
Fast growing pioneer of forest margins, large toothed leaves are very ornamental Subtropical look, berries attract lots of birds Prefers an edge type position with a bit of shelter					
	PB 3 (1.8 litre)			\$5.25	\$6.00
	PB 5 (2.8 litre)			\$7.14	\$8.40
Sequoia sempervirens	<i>California Redwood</i>				
Long lived tall evergreen conical conifer, fast growing in NZ Aromatic bark and leaf like needles up to 25mm long, moderately durable good timber Grows quickly when young likes water and prefers sun or part shade.					
	PB 6.5 (3.6 litre)			\$9.23	\$10.85

Species	pot size		price ea. 1000+	100+	10+	price each
Sophora "Dragons Gold"	<i>kowhai</i>	<i>dwarf kowhai</i>				
<p>Yellow kowhai, flowers prolifically even as small plant Flower display from May - October Likes open location, does not like slugs or snails.</p>						
	PB 18 (10 litre)					\$24.90
Sophora microphylla	<i>kowhai</i>	<i>kowhai</i>			Northland native	
<p>Small tree, small round pairs of leaves that are locally variable, yellow bell-shaped flowers in Oct. Beautiful tree, attracts nectar eating birds by the dozen when in flower, solid useful timber Prone to slugs and snails when young, can defoliate and recover if the going gets too tough</p>						
	PB 2 (1.2 litre)					\$5.00
	PB 5 (2.8 litre)					\$7.00
	PB 6.5 (3.6 litre)					\$15.19
Sophora tetraptera	<i>kowhai</i>	<i>kowhai</i>			Northland native	
<p>Small tree often seen in NZ gardens as a large bush, prolifically bearing our national flower in Spring Supreme tui and kaka attractant, fixes nitrogen (it is a legume), hardy once est. very hard quality timber Grows fast once established, protect from slugs and snails when small.</p>						
	5cm sq.tube				\$2.00	\$2.50
Streblus banksii						
	10cm sq (1 ltr)					\$6.00
Tecomanthe speciosa		<i>NZ climbing bignonia</i>			Northland native	
<p>Evergreen twining climber, spectacular profuse flowers, very rare plant from 3 Kings Island. Lush cream trumpet shaped flowers, dense shade canopy Needs something big to climb on, quite vigorous, likes a warm sunny location</p>						
	PB 5 (2.8 litre)	large grade				\$9.25
Tristaniopsis laurina		<i>Kanooka/ Water Gum</i>				
<p>This tree grows well in cultivation and tolerates a variety of soil types from well-drained rocky soils to heavy clay loams, it is ideal for the commercial production of tool handles, mallets, golf club heads and wooden screws. Being a small rainforest tree, it will tolerate light shade, though growth is more rapid in full sun.</p>						
	PB 6.5 (3.6 litre)					\$12.75
	PB 18 (10 litre)				\$17.50	\$22.00

Species	pot size		price ea. 1000+	100+	10+	price each
Vitex lucens	<i>puriri</i>	<i>puriri</i>			Northland native	
Spreading deep green shade tree with pink-purple flowers						
Fast growing large tree, red fruit in abundance are good for pigeons, durable timber species						
Best in light shelter, likes fertiliser and water but tough, dislikes frost when young
